

## What's New

Life is a lot simpler with the new Nokia 1110 phone. The simplified icon menu with intuitive navigation and a 4-way scroll allow you to enjoy the full functions of your mobile phone faster and easier. The demo mode lets you experience the phone's features at a glance. The new inverted black and white display and polyphonic ringing tones will make you stand out from the crowd. Now, everyone can enjoy the art of simplicity with the new Nokia 1110 phone.
