What's New

Get a phone, not a fuss. With its colour display, large keypad, and intuitive interface, using the Nokia 6030 phone is easy.

Get in touch. Sending a text message (SMS) is simpler than ever. You can also send multimedia messages - text, sound, and picture all rolled up in one; great for birthdays and other occasions.

Get organised. Use the calendar feature to keep track of time, then set reminders for events from appointments to anniversaries. After all, there are some things you just don't want to miss.

With the Nokia 6030 phone, the people you love are just a call away.
