

Logitel Pty Ltd

Critical Information Summary

Telstra Stand Alone ADSL2+ (Zone 1 / Metro Only)

This is a summary only. Please contact us for further information or visit our website for full Terms and Conditions. Valid as of April, 2016.

Information About The Service

The service:

This is an ADSL2+ broadband service offering fast speed internet access via Telstra network with a monthly included data allowance mentioned below. Once the data limit is reached, the speed will be shaped to 64Kbps. There will be no shaping for unlimited plan.

Bundling:

You must have a dedicated phone line for this service to work. This service is not conditional on you having a phone line with us and equally the phone line rental is not included in the service. Please contact us if you wish to have a service that also includes a phone line with us.

Mandatory components:

You will require a modem/router for this service. The monthly fee does not include the cost for a modem/router but you may purchase one from us at an additional cost. Please contact us for further information

Minimum term:

The service is available with a minimum term of 1 month, 12 months or 24 months.

Important conditions:

Logitel Phone and Broadband services are not available in all areas or premises. The broadband service offered will be determined based on what is available at your location. There may also be technical or commercial reasons that affect our ability to connect a service at your address. To check your service availability please visit the Logitel website or contact our Residential sales team on 1300 301 428.

This service provides you with a static IP address. Dynamic IP address is not available for this service. Please contact us for further information.
